Stories around an Open Table

Bishops In Mission - Saturday 9th March 6.30pm @ St. Bride's Liverpool

In March 2019 it's the Diocese of Liverpool's turn to host Bishops In Mission, an initiative of the Archbishop of York where each Diocese in the Northern Province hosts visiting teams headed by northern bishops for a series of locally organised mission, outreach and evangelism events.

We'd love you to join us for a celebration of the growth of the Open Table network across the Diocese of Liverpool and far beyond. We hope to have members of every Open Table community there - The Bishop of Bradford will join us too. The theme of the Bishops In Mission event is 'Tell : Serve : Give' - so we're inviting Open Table members and friends to tell their stories about reconciling gender identity, sexual orientation, faith or spirituality, and how Open Table has played a part in that. Liverpool LGBT Choir will perform musical interludes, and Kieran will be re-commissioned as a Local Missional Leader with responsibility for the Open Table network.

If you have a story to tell, please speak to Kieran, or email opentablelgbt@gmail.com by Friday 1st March - Stories should be no more than 1000 words in length. Thank you - we look forward to hearing from you!
